44. Follow path until it "empties" onto the sidewalk on Cedar Lane
45. Continue east/right, staying on the sidewalk on Cedar Lane
46. As Cedar Lane bends to the right, do not go that way. Rather, stay straight onto the service road running between ball fields(it's part of the Longfellow 10K course)
47. Left onto first path to the left just past the school
48. Continue thru parking lot and get on path behind Columbia Gym until the path "empties" out at the corner of Elliots Oak Rd. and Hesperus Dr.
49. Stay straight onto Hesperus Drive past Longfellow Ele. on your left
50. Right onto the path just past Harvest Moon Lane (bottom of hill)
51. Left at the "T" onto the bridge and follow path(orange arrows) to Wilde Lake
52. Stay on the path on the "left" (north) side of Wilde Lake(there is a water fountain at the shed by the dock ramp if you are thirsty)
53. Path "empties" onto Hyla Brook Rd.-stay right onto Hyla Brook Rd.
54. Right onto West Running Brook Road
55. Cross Little Patuxent Pkwy. to right onto path just past sidewalk
56. Follow path to Lakefront
57. Left at Tomato Palace, pass in front of Clydes (on your right)- past the fountain and the Rouse Building (also on your right) to parking lot on the south side of the old Rouse Building

Water stop #4 is the traditional Bagel Run water stop at the Lake K- 12.0 miles

At this point you have several options: You are at 12.0 miles on the B2B course here at the Lakefront water stop. If you return to Wilde Lake Village (aka. the start) by way of:

1. **the road between Symphony Woods and the Mall (Little Patuxent Pkwy.) -1.6 miles more (Total=13.6 miles).**
2. **the return path back by Wilde Lake up to Harpers Farm Rd.-3.0 miles more(Total=15.0 miles).**
3. **continuing onto the ½ way mark (CA sign on the path just after going thru the tunnel under Whiteacre Rd.). That will give you a 15.8-miler by returning via #1 above.**
4. **Combine #3 and #2 and you can get a 17.2 miler in!!**
5. **Or, being the "beast" that you are, reverse the course and get in a nice 24-miler (we're kidding)!!!**
